

Inclusion

Learning Hive believes that children of all ability levels are entitled to the same opportunities for participation, acceptance and belonging in child care. We will make every reasonable accommodation to encourage full and active participation of all children in our program based on his/her individual capabilities and needs.

If your child has an identified special need, please provide diagnosed information to the director during enrollment and explain any special accommodations that will be needed.

Non-Discrimination

At Learning Hive equal educational opportunities are available for all children, without regard to race, color, creed, national origin, gender, age, ethnicity, religion, disability, or parent/provider political beliefs, marital status, sexual orientation or special needs, or any other consideration made unlawful by federal, state or local laws. Educational programs are designed to meet the varying needs of all students.

Family Activities

Each family is a child's first teacher. We value families as partners in the growth and development of children in our program. We encourage parents and other family members to be involved in the program, visit children's classrooms, participate in events, and provide feedback on the program. We offer a variety of ways in which families can participate in helping us establish and reach our program goals.

Family Visits

Family participation is encouraged. Visit our classrooms, volunteer, come along on a field trip, or eat a meal with your child. Signing in is required for the safety and protection of our children. Each visitor must wear a visitor's badge while on premises and sign-out upon leaving.

Confidentiality

Unless we receive your written consent, information regarding your child will not be released with the exception of that required by our regulatory and partnering agencies. All records concerning children at our program are confidential.
